

12th WORLD CONFERENCE ON EXPLOSIVES AND BLASTING

DUBLIN, IRELAND

10th - 12th September 2023 | Royal Dublin Society

We are excited to announce that the 12th World Conference on Explosives and Blasting will be held in the city of Dublin from 10th to 12th September 2023 at the Royal Dublin Society.

The EFEE World Conference on Explosives and Blasting is one of the key international blasting events, drawing attention from explosives users, manufacturers and drilling equipment operators as well as researchers and professionals involved in the construction and mining industry.

This superb event is supported by the Irish Mining & Quarrying Society (IMQS).

The conference includes:

- Large Industry Exhibition
- Pre-Conference Technical Excursion
- Spectacular Dinner at the Guinness Storehouse
- Technical Programme Featuring
 - Blast Design Management
 - Blast Vibration and Seismology
 - Blasting Work Experiences
 - Construction, Mining & Quarrying (Blasting)
 - Demolition Blasting
 - EU Directives & Harmonisation Work
 - Explosive Detection for Security
 - Health, Safety & Environment
 - New Applications and Training
 - Technical Development
